Session 1: May 30 - June 9

Wild About Animals

Children will explore various types of animals, how they live, and how they make our world a better place. Whether it's farm, zoo, safari, ocean or arctic, children will go wild through hands on experiences.

Session 2: June 12 - June 23

Mad Scientists

Ooey, gooey, messy fun! Students will engage in different science experiments that get them really thinking, hypothesizing, and studying real-world science concepts.

Session 3: June 26 - July 7

Water Works

Children will investigate water in all of its different states, while getting wet in the process! Water play every day which is perfect for our hot Arizona summer.

Session 4: July 10 - July 21

Artists Workshop

Khlo, Picasso, Van Gogh, Monet, Warhol were all children before they were famous. Students will study a myriad of artists, while experiencing different art mediums first hand.

Join us for a fun-filled summer of exploration.

Certified teachers will ensure an authentic experience through play-based activities in an exceptional outdoor and indoor environment. Your child won't want to miss a minute of summer at Valley View Early Learning Center.

Come, learn and play!

Additional opportunities:

Lunch Bunch: All children can stay and eat lunch with their friends each day from 11:30 - 12:30. During this time children will bring their own lunch and enjoy eating with their classmates. Children will also enjoy a variety of activities each day after they finish their lunch.

Extended Care: These sessions will be held each day from 7:30 - 8:30 and 12:30 - 5:00. You can sign up for one or more hours daily, to extend your day at school. Children will be involved in a variety of activities designed to be developmentally appropriate for young learners. During a portion of the afternoon extended session, students will have the opportunity to rest and/or nap.
