WE NEED EXTRA CLOTHES!

PARENTS, WE ARE IN NEED OF MORE EXTRA CLOTHES OF ALL TYPES AND ALL SIZES.

WE COULD USE: UNDERWEAR, SHORTS, T-SHIRTS, AND SHOES. WE NEED TO STOCK UP EVERY ROOM.

PLEASE MAKE SURE YOUR CHILD HAS A FULL SET OF CLOTHES IN THEIR CUBBIE AT ALL TIMES!

VVELC Parents,

You are invited!

Back-to-School Nights

Rooms 1-7
Wednesday, August 23rd
6pm - 7pm

Rooms 9-14
Thursday, August 24th
6pm - 7pm

Come to learn all about your child's teachers and Valley View ELC
This is a PARENT ONLY night

Dearest Parents,

We are in the midst of the beautiful chaos that is known as the start of the school year. Our first full week of school brought us brand new faces, first experiences (and tears) for many students and parents, an incredible amount of learning, but most importantly, new friends.

You and your child probably felt incredibly exhausted after this week. We did! This is normal. Everything is new and sometimes new is hard. Change is hard and takes so much energy! Change is also learning which creates so many new neural and emotional connections - good stuff!

Please be patient; with us, with your child and with yourself. Growing takes time - and it is worth doing slowly. Trust that you and your child are in the right place, in the most perfect environment surrounded by caring and nurturing, educated staff. We will get there. We always do. Enjoy the journey!

Playfully,
Ms. Marisol

Vision Screening by the Lion's Club was a success!

We were not able to screen every child in one day, so we are inviting the Lion's Club to screen the rest of our students. Stay tuned for the date. Hearing screening will be done by our own trained staff within the first 45 days of school. Any results outside of the norm of what is developmentally appropriate will be communicated to parents by October 13th.

Parking!

Parents, please be aware that we have more 8:30 starts this year in response to parent need.

Please give yourself enough time in the morning to find parking. **Please reserve the spots on the far East side by the building for our staff.** We are also trying, as a staff, to leave the closest spots in the front for parents. Please know that if there are no other spots left, staff will have to park wherever there is an opening as they have to start their shift on time.

We will soon have reserved staff parking to help make parking less stressful for all. If you find parking very stressful, please sign up for AM Care which begins at 7am to avoid the 8:30 crowd.
