## Valley View Supporting Schools in Need

Valley View ELC FFO decided to share part of the proceeds from the Fall Scholastic Book Fair to [Ingleside School District](#) in Texas whose community was devastated by Hurricane Harvey. \$500 Scholastic Book money was transferred to Ingleside from Valley View to allow the staff to send books home with students and teachers affected by the devastation.

### More help needed

Valley View has found two schools in Texas that have been affected by Hurricane Harvey. We have set up Amazon registries for both schools to efficiently get them the direct help they still need.

If you would like to support either of these schools, please visit the registry, choose an item and then process the order. The shipping address is automatically set up to go directly to the school, but we have listed it below.

#### COLBERT PRESCHOOL:

Thankfully, the school itself did not receive much damage. However, twelve of the families lost their homes and belongings due to flooding. In the Amazon registry is a list of things needed by those families. They also requested Amazon gift cards for any amount and/or food gift cards, just to help feed their families as they are working on rebuilding their lives.

#### WILLIAMS ELEMENTARY:

The school and many families were affected by flooding in their area. For more details, you can visit their school website:

## BOOK FAIR

Our Fall Book Fair was our biggest success yet! During the week of September 18-22, we hosted the Scholastic Book Fair at Valley View. It was such a thrill watching the children's excitement for the fair and their anticipation to get home to READ! Thanks to your interest in sharing the love for reading with your children and bringing them to the fair. We made \$4400 in sales! That's \$1000 more than our last book fair! Valley View benefits from 25% of the proceeds, therefore **we raised \$1100 for our school!** THANK YOU!

The winner of the book fair raffle's basket full of books is **Samuel Torrenti! Congratulations!**

Orders made through the **Online Book Fair were delivered to your student's cubby.** We would especially like to thank all of our book fair volunteers for their time and help. We could not have done it without all of you!

If you missed this book fair, we will be **hosting another one in the Spring** and look forward to seeing you then!

## PARKING SPOT RAFFLE

Last week we sold raffle tickets for your very own front parking spot. This fundraiser was another success and **raised \$290!** Thank you to all who participated in the raffle.

## TRUNK OR TREAT

Fall is here! For Valley View that means that Trunk or Treat is near! On **Friday, October 20<sup>th</sup> at 6:15pm** you will have the opportunity to go trick-or-treating in a preschool friendly setting in the Valley View parking lot. Arrive dressed in your costumes and go from one decorated trunk to the next collecting treats! This fun event could not be possible without volunteers to decorate their vehicles and hand out treats. If you are interested, there are 69 parking spots available. Please see Margie at the front desk to sign up for a spot!

## VALLEY VIEW GIVES BACK

After the success of our book fair and the horrific loss Houston experienced after Hurricane Harvey, **we donated \$500 of Scholastic Dollars** to a preschool in need. Our Scholastic representative helped us get in contact with Ingleside Primary School in Ingleside, TX. Although the school was not too badly affected, many of their students' homes were. They will use this credit to order Scholastic books

which they will add to goody baskets they are making for their students to bring home.

Thank you again to all the volunteers and parents who supported us during a very busy month of September!

Kindest Regards,

Christine Wagner and Katie Barclay
