Lunch Bunch

This class is a two hour block each afternoon and can be added to any ½ day class. During Lunch Bunch, the teaching staff plan activities connected to AZ Early Learning Standards to enrich what is being taught in the mornings. Children have some time outside to play after they eat and then come inside for circle time and inside choice.

Extended AM/PM Sessions

Families with children enrolled in the 6 hour class have the opportunity to extend their child's day beyond the core class. We are open from 7:00 am to 5:30 pm. Children enrolled in the 3 hour class can extend their child's day beyond the core class time by adding extended morning hours or Lunch Bunch. Please note enrollment in the 3 hour class does not allow for access to the extended afternoon hours. Registration for all extended hours is required for attendance. During extended care, staff-to-child ratios are maintained in a developmentally appropriate environment.
